

## Corrigendum

# Corrigendum to “A stochastic evaluation of economic and environmental effects of Taiwan's biofuel development under climate change” [Energy 167 (2019) 1051–1064]

Chih-Chun Kung <sup>a, b, \*</sup><sup>a</sup> Institute of Ecological Economics at Jiangxi University of Finance & Economics, Nanchang, 330013, China<sup>b</sup> Department of Agricultural Economics at Texas A&M University, College Station, TX 77843-2124, USA

The authors regret that the references used in Table 1 and 2 must be corrected so that readers will not be misled. Specifically, the references listed in Table 1 should be corrected to

[1] “Taiwan Council of Agriculture (TCOA). Annual Statistics of Taiwanese Agricultural Commodities. Taipei:TCOA, 2017.” and (a):[44].

[2] The reference of FASOM listed in Table 2 should be corrected to the “Agricultural Sector Model (ASM)”.

[3] To reflect the contribution of the affiliations where the work was conducted and finished, we also need to correct the author affiliations to the follows: a: Institute of Ecological Economics at Jiangxi University of Finance & Economics, Nanchang, 330013, China; and b: Department of Agricultural Economics at Texas A&M University, College Station, TX 77843-2124, USA.

These errors that were introduced after the final proof of the article reviewed by the author, and as a result, we did not have an opportunity to correct before the article was published.

The authors would like to apologise for any inconvenience caused.
